READING ORDER

| "The New Kid" | September 2013 | Only available on eileenwilks.com |
|---------------|----------------|-----------------------------------|
| "Only Human" | July 2003 | 978-0425189054 |

I recommend you start the series with TEMPTING DANGER, then come back to "The New Kid" after you've gotten to know Rule a bit. "Only Human" is a short story version of TEMPTING DANGER with slightly different characters and plot elements, so it's not necessary to read unless you want to.
